

All guests ages 12 and older must present proof of FDA or WHO authorized full vaccination to enter the building. Proof of vaccine may include the original physical copy or a clear, unobstructed photo of the CDC vaccine card; Excelsior Pass Plus; NYC Covid Safe App; or valid international proof of vaccination. All proof of vaccination must be accompanied by a valid photo ID. Please note, we do not accept Excelsior Pass, only Excelsior Pass Plus. "Fully Vaccinated" means the performance date you are attending must be:

- at least 14 days after your second dose of an FDA or WHO authorized two-dose COVID-19 vaccine, or
- at least 14 days after your single dose of an FDA or WHO authorized single-dose COVID-19 vaccine.

The only exception to the above will be for guests under the age of 12. Guests under 12 must provide proof of one of the following COVID-19 tests:

- negative COVID-19 PCR test taken within 72 hours of the performance, or
- negative COVID-19 rapid antigen test taken within 6 hours of the performance.

Guests under 12 may present proof of a negative test on paper or mobile device. All guests 2 and older must wear a mask at all times.

There will be no exceptions to this policy. We are sorry for any inconvenience this may cause. If you are unable to attend your scheduled performance due to the building safety policies, please contact the Box Office at boxoffice@theatrerow.org or by phone at (212) 714-2442 x45 (12pm-5pm daily). Thank you for your cooperation!
